
IDENTIFYING A VALID LOV2 DEVICE

March 17th, 2017

LOV2 S01 series

Fixed plate front side :
Series number begins with
S0116.

Fixed plate reverse side :
test mark : **2 arrows**. This device has
been inspected and controlled.

If you find a single mark (1 arrow), this
device is a part of the first series which
was called back. Do not use it and
contact TAZ on taz3d.fr

LOV2 S02 series
